Lyrics	1. He is coming, the Man of Sorrows, Now exalted on high; He is coming with loud hosannas, In the clouds of the sky. Refrain Hallelujah! hallelujah! He is coming again; And with joy we shall gather round Him, At His coming to reign. 2. He is coming, our loving Savior, Blessèd Lamb that was slain; In the glory of God the Father, On the earth He shall reign. [Refrain] 3. He is coming, our Lord and master, Our redeemer and king; We shall see Him in all His beauty, And His praise we shall sing. [Refrain] 4. He shall gather His chosen people, Who are called by His name; And the ransomed of every nation For His own He shall claim. [Refrain]
