Lyrics	1. A glorious song is ringing in my heart, Its joyous notes new life and hope impart. It fills me with its sweetness, Gladness and completeness, 'Tis the love God that tunes my tongue, Wonderful love. Chorus: All glory to God on high. OO song of hope and gladness That thrills the earth and sky. I'll sing it o'er forevermore, The song that shall never die. 2. I came because the Lord has cleans'd my sin, And by his blood has wash'd me white within, I sing the blessed story, Sing of Christ my glory, 'Tis the love of God that makes me sing, Wonderful Love! 3. O blessed song that never more shall die, The world shall know its meaning by and by, I'll keep its music ringing, With triumphant singing, 'Tis the love of God that thrills my soul, Wonderful love!
