Lyrics	1. A feast of love together, A glorious feast is ours, Where dews of grace are falling Like summer's balmy show'rs. Chorus: A feast of love today, To help us on our way; With Christ our elder brother, A precious feast today. 2. A feast of love together, When heart and soul may rise Above these earthly longings, Beyond those changing skies. 3. A feast of love together, Where God himself presides, A feast of love and blessing, His gracious hand provides. 4. A feast of love together, And while our voices blend, We look with holy rapture, To one that ne'er shall end.
