Lyrics	1. Where my Shepherd leads I'll follow, Follow in his own right way; If his hand is always guiding, I can never go astray. Chorus: Where he leadeth I will follow, Follow Jesus all the way; Where he leadeth I will follow, Follow Jesus all the way. 2. Where my Shepherd leads I'll follow, Tho' the way be dark and drear; If my Saviour's hand is leading, I shall never, never fear. 3. Where my Shepherd leads I'll follow, Fully trusting as I go; Thro' green pastures he will lead me, Where the living waters flow.
