Lyrics	1 O Thou Rock of my salvation, Hope and refuge of my soul, Thou wilt hide me when the tempest, And the stormy billows roll. Refrain: I will sing of Thy redemption, And proclaim the wondrous grace That beyond the vale and shadow Has prepared for me a place. 2 Thou who didst so kindly watch me, Ere my heart to Thee I gave, Thou whose love has paid my ransom, Can I doubt Thy pow'r to save? [Refrain] 3 Thou who art my staff and comfort While this fleeting life shall last, I will trust Thee for the future, And adore Thee for the past. [Refrain]
